## **\$950,000 FEDERAL GOVERNMENT GRANT APPROVED**

The COVID-19 public health crisis which is now resulting economic crisis have created a variety of challenges to all citizens including small, micro, and solo businesses in communities across the country. The Treasury Department is providing critical assistance to small businesses and to all citizens including deaf, youth, retired, widow, disabled, unemployed and old in the society as an award of financial assistance from the federal government to individuals due to the impacts of COVID-19, this is not a loan as its free money use to help the community as its non-repayable even if you are fully or partially unemployed because of a layoff, furlough, reduced wages, or reduced hours or you and your family are impacted by school closures.

This is a one-time relief funds economic security (CARES) act provided to help everyone and they DO NOT NEED TO BE REPAID.
